Step 2: Things to Remember

- All cards must be 100% handmade
  - We are unable to deliver store-bought cards
- Holiday cards are great, but we prefer cards that can be enjoyed by the recipients year-round
- All artists should sign the cards with their first name and location (i.e. From, Angie in Ann Arbor, MI!)
- Encourage those who know multiple languages to create cards in other languages
- Take pictures and screenshots of video conferences with artists making and holding their cards

- Uplifting Spirits is our main goal, so our Golden rule is, to be sure that the cards have an uplifting message and do not refer to the condition of the patients.
  - Do not say things like, "Get well soon," "Stay Strong," or "Hang in there"
- Please avoid religious references as we cannot promise that they will be delivered room to room at each location
- Please avoid fuzz balls and pipe cleaners as they tend to not stick to the cards well and fall off during transit
  - Check out this blog post for more info
